

Get To The Root Of The Problem...

Done with shaving, tweezing, even waxing??

Then Laser Hair Removal could be your answer! Laser hair removal, is one of the most commonly done cosmetic procedures in the U.S.A it beams highly concentrated light into hair follicles. Pigments in the follicles absorb the light that destroys the hair – permanently.

At Sonia's Waxing Plus we use State of the Art laser technology recognized by all experts in this field as one unsurpassed.

Benefits – Lasers are useful for permanently removing unwanted hair from the face, leg, arm, underarm, bikini – line, among other areas.

Precision – Lasers can selectively target dark coarse hair while leaving the surrounding skin undamaged.

Speed – Each pulse takes a fraction of a second and can treat many hairs at the same time.

Predictability – Most patients see permanent hair loss after an average of 7 sessions.

How To Prepare – See Sonia and if necessary a doctor's consultation may be required depending on hair type, and skin condition, and coloring. *Limiting waxing, plucking, electrolysis, and sun exposure for 6 weeks prior to treatment.*
